

Lesson 2: Software Assessment Checklist

1. Open the Mimio software and create a new Notebook. Save it to G drive (file path) using the file naming conventions of lastname_firstinitial (king_l)
2. On the first page, include the following items:
 - a. Use the Text tool to create the title “My Day at the Zoo”. Change the font type, size, and color to something of your choosing
 - b. Add a green rectangle with a thick line around your title.
 - c. Use the Pen tool to sign under your title “By Your name”
 - d. Use the Highlighter tool to highlight your name in purple.
 - e. Make the background of the page light pink
 - f. Insert your choice of page transition and apply it to all pages in the Notebook.
3. Insert a new page. On the second page, include the following items:
 - a. Include this text at the bottom of the page: “First we went to the lion cage. They had loud roars!”
 - b. Insert the fence.png file located at (file path)
 - c. Use the Gallery to insert 3 lions. Make sure those lions are behind the fence by putting everything in the correct Order!
 - d. Use the Gallery to insert the sound of a lion roar
 - e. Lock the images of the fence and 3 lions
4. Insert a new page. On the third page, include the following items:
 - a. Include this text at the bottom of the page: “Next I saw a baby elephant with a balloon. I hope it doesn't pop! Click on the elephant to learn the rest of the story. ”
 - b. Use the Gallery to insert a baby elephant and a Bubble Pop in the color of your choice. Use the Pen tool to draw a string from the “balloon” for the elephant to hold on to.
 - c. Turn the image of the baby elephant into a hyperlink to <http://www.theelephantandtheballoon.com/index.html>
5. Insert a new page. On the fourth page, include the following items:
 - a. Include this text at the bottom of the page: “Finally we saw my favorite animal. Can you guess what it is?”
 - b. Use the Gallery to search for the animal of your choice and insert it.
 - c. Use the Gallery tools to add a Reveal (Top or Bottom) that covers your animal choice.
6. Save the file and send me an email so I can take a look. Hope you had fun during your day at the zoo!
